According to Dr. Robert J. Wickenheiser: Such important recognition of this great Filipino artist is well-deserved and long-overdue! I am honored to share his friendship and to have been able to add several original works by him illustrating Milton's Paradise Lost to my Milton Collection in Rare Books & Special Collections at the University of South Carolina. Bienvenido Bones Banez Jr. is one of today's most foremost surrealist artist and he becomes more and more important as an artist with each work he completes!
